Persuader 2200 Offshore, Shaft Drive

"Leaves our competitors behind..."

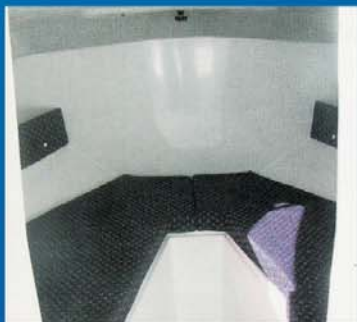

The Persuader 2200 Offshore is a dual-purpose boat with superb offshore performance along with diesel economy to accommodate the offshore professional fishing angler, while still keeping in mind the family with the creature comforts for cruising and staying on board. The Persuader 2200 Offshore is also legally trailerable in Australia.

The Persuader 2200 Offshore is an easy to handle boat with traditional Steber Clinker sides, large flared bow, and walk around decks to the bow. It has an economical and safe diesel engine, which at sea trials was producing 16 knots @ 3600rpm, with only a Yanmar 100HP turbo motor, using as little as 8 litres per hour. The 125HP turbo has a cruising speed of 16/17 knots and a top speed of 21 knots. Stern drive option is also available as well as survey USL code 2C.

The wheelhouse give 6' of headroom and comes with toughened glass windows and a sliding lockable door for keeping out the elements for safety and comfort. Along with a large two-berth cabin and a porta potty, one-burner slide away stove and hide away icebox makes the boat well equipped.

The cockpit size is large and features include a full gelcoat floor with self-draining scuppers, with the option of cockpit floodlights on a s/steel rod holder bracket for six rods, four inderfloor storage/kill tanks, two large side pockets, rear lights, a removable transom that floats, fresh hot and cold water shower an a full width marlin board.
